## About Us

**SWASTIK INTERNATIONAL** started in year 2012, with a vision to provide World Class Furnishings to enhance living standards in India by getting representative licensee to Richloom Fabrics Group, USA. RFG is a pioneer global company known world wide for its contract and technical fabrics. Its Gurgaon office took care of day-to-day operations, design development, Sales and sourcing business.

In early 2013, SI became the strategic channel partner of World's 3<sup>rd</sup> largest home textile producers like D' Decor Fabrics and Alps Industries Ltd for contract markets.

To enhance the visual appeal of interiors, in 2015 the idea to introduce smart & efficient lighting solutions seemed to be a primary requisite. The idealistic concept of furnishings and lighting both compliment each other, to make a perfect amalgamation in commercial and hospitality industry. With advancement of technology, today both Furnishing and Lighting products are a fashion statement, although a necessity too. This was then, the brain child of professionals to bring both Furnishing & Lighting portfolios under the umbrella of Swastik International.

In 2016 it setup its factory in Panipat of exclusive and premium hand-crafted home furnishing made-ups like cushions, curtains, and other value added home furnishing soft lines for exports and hospitality segment. The growth is based entirely on a strong customer loyalty, due to incomparable quality standards achieved and maintained over the years.

Now, the company brings to you a broad range of Furnishing & Lighting Products for indoor & outdoor requirements with customized designs options in below verticals :-

**Soft Furnishings  
Solutions**

**Hand-made  
Home Furnishing Exports**

**Lighting  
Solutions**

The Company believes and envisions in bringing the best quality and technological products from the right & direct sources from India & across the World with efficient, reliable & cost saving preposition for the user.
